SKINS V5E4 - LIV & MATTY

Exterior courtyard. Matty and Liv enter running. They stop when they reach the courtyard.

MATTY  
How you feeling?

LIV  
Amazing. You dick. He could've caught us!

MATTY  
What's the point of doing it if you don't enjoy the chase?

He starts to pull things out of his coat. Convenience store goods, snacks and drinks. Liv pulls an alcohol bottle out of her pant pocket. Matty sits down on a ledge.

LIV  
You're a bad influence.

Liv's phone rings. She sees that it's Mini and declines the call. She sits next to Matty.

MATTY  
Who's that?

LIV  
My husband.

MATTY  
Really? Fuck him.

The two of them continue to unload all their pockets, placing all the snacks and goods between them.

LIV  
You've shoplifted before, haven't you?

MATTY  
Everything I'm wearing I stole.

LIV  
Sweet. Give me your watch then.

MATTY  
No, this was gift. My brother gave it to me. Everything else though was nicked.

Liv puts on a pair bright yellow dish gloves, which she also stole.

LIV  
My sister took me shoplifting once. She had this special coat with massive pockets.

MATTY

Yeah? Can I have her number?

LIV

Have you no shame?

Liv lights a cigarette.

MATTY

No. But we can take all this back to the garage if you really want to. I'm sure he'd be happy to see us again.

LIV

Tricky, without receipts. Cheers. You're not real. You're like a Charles Dickens character named Teddy Sextramp. What do you think?

MATTY

Teddy Sextramp?

LIV

Teddy Sextramp, who I met with drug dealers and police, and we'd go shoplifting and who told you it was okay to look at strangers the way you look at me? 'Cause it's too much, Teddy. And yes, I would say yes. I'm coming up. How about you?

MATTY

I think so. How are my pupils?

They get very close to each other. Matty widens his eyes and Liv does the same.

LIV

Open your mouth and say "ah."

They both open their mouths wide and stick out their tongues, "ahh"ing.
