#REALITYHIGH - DANI & ALEXA

Interior Alexa's mansion.

The girls sit at the dining table, giggling and smoking a joint. Dani is clearly drunker than Alexa. Alexa is holding her phone, as per usual.

ALEXA

We need to get some food in you.

Dani sighs and looks over into the living room, where Alexa's two friends are asleep on the couch.

DANI

You know, he actually looks like a nice person when he's sleeping. I'm sorry, that was mean.

ALEXA

Don't apologize. Hey. (Beat) I can see why Cameron likes you.

DANI

Oh...

ALEXA

Oh, is that weird to bring up?

DANI

No, no. I mean, as long as it's not weird for you.

ALEXA

No way! I've moved on.

Alexa's chef approaches, two silver covered dishes in hand. He sets them down in front of the girls.

ALFRED

One vegetable frittata. One huevos rancheros.

DANI

(Through a mouthful of food) Thank you very much, sir.

ALEXA

Gracias, Alfred.

ALFRED

Ah.

Alexa hands him the joint as he walks away. We can see him taking a hit in the background.

ALEXA

Can I tell you something?

DANI

Sure.

Alexa is still holding her phone, but she has the camera strategically aimed at Dani. She's video taping their conversation, but Dani is completely unaware of Alexa's actions.

ALEXA

That whole prank thing at camp... I did it because I was jealous.

DANI

I know. Cameron told me that you knew he had a crush on me.

ALEXA

What? No. I was jealous because my parents had just split up, and yours were still together.

DANI

I had no idea. I was always jealous of you. Everyone in school worships you. Look at all of this. You live like a... (she hiccups) Princess.

Alexa laughs.

ALEXA

I wish I could just be normal and eat a freaking donut. Everyday it's like, "Mija, date him. Don't wear that. Spit that out, you look fat!"

DANI

Someone said that to you?

ALEXA

Yeah, my mom. Every part of my life feels fake. I don't even know who I am sometimes.

DANI

No. You're Alexa Medina. You're beautiful and you're funny and smart.

ALEXA

I didn't know you were paying attention.

DANI

Well, it's not like... (deep voice)
"I'm obsessed with your life!"

They both laugh.

DANI (CONT'D)

You know, but my sister, she watches you 24/7. If she were here,
(MORE)

DANI (CONT'D) (cont'd)
this is what she'd say, you ready?
"I watch you on YouTube. I watch
you on Instagram..."

Dani's phone starts chiming repeatedly. She picks it up.

DANI
Shit!

ALEXA
What?

DANI
Freddie! Oh, my god!

ALEXA
What?

DANI
I'm gonna... Oh my god!

She stands up from her chair and grabs her phone. She's stumbling.

DANI (CONT'D)
I'm gonna puke.

ALEXA
No, no, no, no. The bathroom's down
that hallway, the fifth door on the
right. No!

Dani isn't gonna make it. She starts to throw up in an expensive looking decorative bowl.

DANI
Sorry.

She runs out the door.

ALEXA
Alfred! Come on!
